Special Seminar in Japanese:

Important point for ISO45001
New registration and Transition information for Japanese Staff

OHSAS18001 has changed as new standard to ISO45001 in March 2018 and has to transition by March 2021.

DQS Thailand and DQS Japan provide valuable new information and important point of ISO45001 for Japanese staff.

The establishing of a management system for occupational safety and health standard ISO45001:2018 is not just a request for certification but must be able to improve and develop the organization efficiently and effectively. Therefore, the personnel involved must have a deep understanding of the requirements.

If you join this seminar...
You can protect or safeguard incident of safety and health care and you will have new standard information and it intention in Japanese.
